## ARGENTINE JOURNAL OF CLINICAL ANATOMY: INDEX VOLUME 7

### Volume 7 Number 1

- 1            **Cover and Index**
- 6            **Errata**
- Editorials**
- 8            Can Anatomy be taught completely online?  
*Geoffrey T. Meyer*
- Original Communication**
- 10           Three-dimensional reconstruction of the anterior olfactory nucleus in the human olfactory bulb and peduncle  
*Steven Berendsen, Jocelyne VM Peters, Evelien Huisman, Willie Vorster, Piet Hoogland*
- 17           Estimation of stature from cephalic dimensions in a nigerian population  
*Ukoha U. Ukoha, Kosisochukwu E. Umeasalugo, Onochie O. Udemezue, Lasbery A. Asomugha*
- 26           Opinions of medical students about Phase I Anatomy education: A preliminary study  
*Ayla Kurkcuoglu, Can Pelin, Ragıba Zagyapan, Ersin Ogus*
- 34           Morphology of the hard palate: A study of dry skulls and review of the literature  
*Erlı Sarilita, Roger Soames*
- Review**
- 44           Anterior segment ischemia and strabismus surgery: From the anatomy to the clinic  
*Abraham Olvera-Barrios, Rodrigo E. Elizondo-Omaña, Verónica E. Tamez-Tamez, María de los Angeles Garcia-Rodríguez, Eliud E. Villarreal-Silva, Santos Guzman-Lopez*
- 52           Positive identification of human remains by skull-photo comparison in Uruguay: A review  
*Horacio E. Solla*
- Case reports**
- 60           Lymphovenous communications between the thoracic duct and the azygos venous system  
*Naief Dahran, Roger Soames*
- Letter to the Editor**
- 64           Importance of awareness on body donation in health science students  
*Ravindra S. Swamy, Naveen Kumar*

- 65            **Information and News**
- 77            **Instructions to authors**

5

## Volume 7 Number 2

- 81            **Cover and Index**
- 86            **Editorials**  
 Motor points: A morphologic expression with wide clinical applications, not well studied yet  
*Luis E. Ballesteros*
- 88            **Original Communication**  
 Intervertebral veins directly connecting the vertebral venous system to the azygos venous system rather than the proximal end of the posterior intercostal veins  
*Naief Dahran, Roger Soames*
- 93            Evaluation of acromial geometry in relation to the cuff tears on Thiel-embalmed cadavers using 3d Microscribe digitizer  
*Mohammad A. Alobaidy, Abdulrahman S. Alraddadi, Roger W. Soames*
- 100           Extraperitoneal surgical drainage of psoas abscess: Anatomic basis  
*Alejandro M. Russo, Alejandra Garretano, Andrés Pouy, Gabriela Wagner, Juan M. Costa, Pablo M. Sciuto, Eduardo A. Olivera*
- 107           Gastrocnemius tubercle in indian population: A new anatomical entity?  
*Shilpa Gosavi, Rajendra Garud, Surekha Jadhav*
- 112           **Anatomical Variants**  
 Double transverse foramen in infantile cervical vertebrae of the late 17<sup>th</sup> and early 18<sup>th</sup> centuries  
*Laura Quiles-Guiñau, Marcos Miguel-Feucht*
- 118           **Case reports**  
 Double middle colic arteries in a female cadaver of Asian origin - A case report  
*Chitra Ramasamy, Shakthi Kumaran Ramasamy*
- 122           **Letter to the Editor**  
 Body donation in India: Myths versus facts  
*Anitha Guru, Naveen Kumar*
- 123           **Information and News**
- 133           **Instructions to authors**

---

**Volume 7 Number 3**

- 137**      **Cover and Index**
- Editorial**
- 142**      What do we do with the Anatomy?  
*José Luis Bueno-López*
- Original Communication**
- 145**      Thorax-abdominal vagus nerves in fetuses  
*Susana N. Biasutto, Gabriel A. F. Ceccón, Matías de la Rosa, Paulina A. Bortolín*
- A watch backward**
- 153**      Christopher Wren: the artist of the circle of Willis  
*Fernando Martínez*
- Abstracts**
- 157**      IV Argentine Congress of Clinical Anatomy, I International Congress of Clinical Anatomy, XII Congress of the Argentine Society of Morphological Sciences. I Symposium of the Argentine Forum of Chairs of Anatomy and Morphological Sciences.
- 191**      The 7th International Symposium of Clinical and Applied Anatomy
- 227**      **List of reviewers**
- 228**      **Index Volume 7**
- 234**      **Information and news**
- 238**      **Instructions to authors**
