

**SPECIALIST CERTIFICATE****CALL**

The Postgraduate Committee of the Asociación Argentina de Anatomía Clínica calls, by first, to register for the Certificate of **"Specialist in Clinical Anatomy"** (with orientation to Clinical Macroscopic, Surgical and Imaging Anatomy or with orientation to Clinical Microscopic Anatomy, Embryology and Molecular Biology). This call is addressed only to professionals with longer than 15 years in Anatomy teaching and have some transitory measusres, by being the first one.

**Requirements:**

- 1) To be university graduate from Health Sciences careers.
- 2) Have been active member fo the Argentine Association of Clinical Anaotmy for longer than 5 years or Honorary and Active member simultaneously.
- 3) To teach or have taught Anatomy, in public or private university, in Argentina or foreing countries, in rented or ad-honorem positions, for longer than 15 years (including pre-graduate period).
- 4) To demonstrate interest and participation in Clinical Anatomy activities.\*.
- 5) To be author or co-author of 10 articles (no abstracts) of Anatomy/Clinical Anatomy or Histology/Embriology/Molecular Biology Clínica, at least have of them with clinical orientation (*transitory measure*), published in scientific journals with external arbitration and indexed in international data bases.

\* It will be considered as interest and participation in activities of Clinical Anatomy : a) lectures on different topics of Clinical Anatomy in pregraduate or postgraduate courses; b) Attendance and participation in Congresses and scientific events related to the speciality; c) attendance, by itself, doesn't qualify to opt for the certificate.

**COMITÉ DE POSGRADO****ASOCIACIÓN ARGENTINA DE  
ANATOMÍA CLÍNICA**

**REGISTRATION:**

It will be accepted until 23:59 on 30th June 2018, by sending documentation to [comitedeposgradoaac@gmail.com](mailto:comitedeposgradoaac@gmail.com):

- a) Copy of university title.
- b) Certificate of university teaching for 15 years (provided by the competent authority of the university entity)
- c) Curriculum Vitae only containing:
  - I) Participation in Clinical Anatomy activities.
  - II) Information of full text articles, published in scientific journals with external arbitration and indexed in international data bases. Citation must include author's names, year of publication, journal name, volume, number and pages. Besides that regular information, you have to add the international data base where the Journal is indexed.
- d) Copy of published articles.

**TRIBUNAL:**

In this first opportunity, the Tribunal will be fully composed by foreign professors (*transitory measure*).

**CERTIFICATE:**

The corresponding certificate will be delivered during the "V Jornadas Argentinas de Docencia e Investigación en Anatomía Clínica" (Tucumán, September 13 to 14, 2018).
