

Information and News**MEETINGS**

- **16th Annual Conference of the Australian and New Zeland Association of Clinical Anatomy (ANZACA).** Perth, Western Australia (Australia) 4 to 6 December, 2019.
- **Winter Meeting – British Association of Clinical Anatomy (BACA).** University of Newcastle (United Kingdom), 17 December, 2019.
- **American Association for Anatomy Annual Meeting of Experimental Biology.** San Diego, CA (United States), 4 to 7 April, 2020.
- **XXVII International Symposium of Morphological Sciences (ISMS).** Aktobe (Kasahstan), 4 to 7 June, 2020. See the following page. <http://www.isms2020.kz/>
- **36th Annual Meeting of the American Association of Clinical Anatomy.** Tulsa, Oklahoma (United States), 11 to 15 June, 2020.
- **International Association of Medical Sciences Education (IAMSE).** Denver (United States), 13 to 16 June, 2020.
- **12th International Symposium of Clinical and Applied Anatomy (ISCAA).** Tavira (Portugal), 25 to 27 June, 2020. See in the folowing page. <http://www.iscaa2020.com>
- **9th Asia-Pacific International Congress of Anatomists (APICA).** Beijing (China), 8 to 10 August, 2020. <http://apica2020.csas.org.cn/>
- **XX Federative International Congress of Anatomy.** Antalya (Turkey) 2021.
- **XXI World Congress – IFAA.** Gwangju (South Korea), 2024.

- For the first time in the CIS (Commonwealth of Independent States) countries
- Intercontinental format (Asia, Europe, America, Africa)
- For the first time in the history of ISMS (International Symposia on Morphological Sciences), a platform will open for young scientists: undergraduate and graduate students
- Expansion of sectional areas with emphasis on the applied significance of morphological studies
- Papers will be published in the 'Annals of Anatomy' Scopus
- The first event of the Eurasian Association of Morphologists (Aktobe)
- Association of morphologists of the CIS countries and transition to a new level of scientific cooperation

WE WARMLY WELCOME YOU TO JOIN US ON INTERNATIONAL SYMPOSIA OF MORPHOLOGICAL SCIENCES!
