

Information and News**MEETINGS**

- **International Symposium of Morphological Sciences 2021 (ISMS)**. Almaty – Kazakhstan, 27-31 May, 2021.
- **XXV National Congress of the Bulgarian Anatomical Society**. Pleven – Bulgaria, 28-30 May, 2021. (See below).
- **XX Congress of the International Federation of Associations of Anatomists**. Istanbul – Turkey, August 2022.

Dear Colleagues, Partners, and Supporters;

Due to the COVID-19 Coronavirus pandemic and with an awareness of our responsibility toward the health, safety and well-being of all registered attendees, speakers, industry partners as well as the general public, we wish to inform you that **"The 20th Congress of the International Federation of Associations of Anatomists (IFAA 2021)"**, which was scheduled for 6-8 August 2021, in Istanbul, Turkey, has been postponed to **August 2022**. The decision to postpone has taken in agreement with the recommendation of the **IFAA Executive Committee**.

The organization committee believes that this postponement will make a significant contribution to our achievement of the scientific and social success that was aimed.

We hope that you will understand this decision regarding the current situation and wish you all the best during those challenging times.

Yours sincerely,

Erdoğan Şendemir
President of the XX IFAA Congress
Professor of Anatomy,
Bursa Uludağ University

INVITATION LETTER

DEAR PARTICIPANTS, COLLEAGUES AND FRIENDS,

On behalf of the Organizing Committee, it is an honor to invite you to the XXV National Congress of the Bulgarian Anatomical Society with International Participation which will be held between 28th and 30th of May 2021 at Medical University – Pleven.

The aim of the Congress is to bring together students, young doctors, and researchers from different places to discuss theoretical and practical issues in the field of Anatomy and related disciplines.

The Congress' main topics are:

- ✓ Cellular and molecular Anatomy
- ✓ Anatomical variation
- ✓ Neuroanatomy and neuroscience
- ✓ Clinical and surgical anatomy
- ✓ Physical and paleoanthropology
- ✓ Anatomy education and training
- ✓ Varia

We hope that you find the elegance of the workshops and the advanced research topics that are going to be presented at the XXV National Congress of the Bulgarian Anatomical Society with International Participation interesting and informative.

You may attend the Congress both online and in person.
