Dear Alejandro

The College of Optometrists would be pleased to grant permission to use the website image in your article.

Please note, however, that the image does not exist in any higher resolution format. The version on the web page is the full-size version. If that is of sufficient quality to meet your requirements for the journal, then please feel free to go ahead.

Yours sincerely

Neil Handley, MA, AMA+, FRSA
Curator, British Optical Association Museum

> Message : Dear Sirs:
> We are writing a review on ametropias for our university's journal in
> Colombia. We included an historical section and found your very
> interesting article the "Invention of Spectacles" in your webpage. We

> are going to use some information from the article and we will give the
> corresponding credit. Our request is if you can give us permission to
> use the image of Cardinal Hugo of Provence that you show in the
> webpage. We will give you the corresponding credit.
> Best regards.
